DON'T BE LONELY THIS CHRISTMAS

Senior Help Line, Ireland's only national listening service for older people will be open every day over Christmas and the New Year from 10am to 10pm. They are available to take your call if you are on your own, feeling isolated, worried or would like someone to talk to. Senior Help Line volunteers are trained older people who understand the ups and downs of life, and are happy to listen, to keep you company and to give guidance. Callers can seek information on entitlements, other organisations or services, or look for clarification on topical items as reported in the media. Having an opportunity to discuss a problem or a worry can help the caller clarify the situation for themselves. They can gain a new perspective on the situation, identify a new source of support and may see a way forward hitherto denied.
